

IBC Fittings, Camlock adapters and couplers

GENERAL STATEMENT ON COMPLIANCE TO FOOD CONTACT REGULATIONS

The mentioned product is formulated and manufactured to meet the relevant requirements listed below:

EU:

Regulation № 10/2011/EC on plastic materials and articles intended to come into contact with food and its amendments and/or corrections (up to Commission Regulation (EU) 2020/1245) having regard to Commission Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food.

We add only substances which are listed in union list of authorized monomers, other starting substances, additives, and polymer production aids of Directive 10/2011/EC ANNEX I.

US:

We are to confirm that all components of the mentioned products listed on the positive List of "Indirect" Additives Used in Food Contact Substances, based on Title 21 of the U.S. Code of Federal Regulations (21CFR) part 175-178
Revised April 2, 2016 without any restrictions
